LOCALITY PLANS

1. PURPOSE OF REPORT

- 1.1 The purpose of this report is to present the Locality Plans for consideration and approval.
- 1.2 An exemplar of a Locality Plans is contained as a background paper within this report.

2. RECOMMENDATION

2.1 It is recommended that the Integration Joint Board

- i. Agree the content of the report and provide approval**

3. BACKGROUND INFORMATION

- 3.1 Locality planning is a key vehicle for ensuring that the voice of local communities' shape wellbeing, service and support across South Ayrshire.
- 3.2 This should be done in line with population data, national and local policy context, care standards and professional advice
- 3.3 Locality planning is a requirement of the Joint Bodies Act which underpins integration of health and social care
- 3.4 Locality Plans should articulate locality planning, priorities and key actions

4. REPORT

- 4.1 In order to develop locality plans and actions there has been ongoing engagement and communication with key stakeholders.
- 4.2 Key to the delivery of locality plans are the Locality Planning Partnerships (LPP)
- 4.3 LPP have clear terms of reference to ensure the communities' voice is heard, and that all stakeholders are working together to plan for, resource and provide services, support and care in the local area, with a focus on tackling inequalities.
- 4.4 The structure has been endorsed by the Integrated Joint Board and the Community Planning Partnership (CPP). This reflects a move to adopt a broader partnership approach to health and social care, integrating the wider services and organisations who ultimately provide support to our local communities.

- 4.5 Troon's LPP has recently been re-established and the Troon Locality Plan is a focus of their LPP agenda and will be completed shortly thereafter.
- 4.6 Through whole system partnership working, co-production and co-design, the Locality Plans articulate actions relevant to locality priorities with a clear, authentic and transformational approach aligned to quality planning, improvement and assurance.
- 4.7 The ambition of the South Ayrshire Health and Social Care Partnership (SAHSCP) to work effectively and efficiently with communities to develop and deliver local services, is reflected within the Locality Plans.
- 4.8 Measurement plans for respective Locality Plans will inform progress to date and ensure continuous improvement.
- 4.9 The Senior Managers within the SAHSCP who have responsibility for the development and implementation of the actions within the Locality Plans, are working closely with colleagues within South Ayrshire Council's CPP team to ensure both SAHSCP and CPP structures are appraised of the progress of the Locality Plans.
- 4.10 Progress on the Locality Plans will be provided annually to the Strategic Planning and Advisory Group (SPAG) and the Integrated Joint Board.
- 4.11 Similarly, the Plans and updates will be presented to the CPP Board within same timescales.
- 4.12 Updates by exception can be provided if requested.
- 4.13 The Locality Planning Partnerships will consider their contribution to the delivery of the Plans on a month-to-month basis.

5. STRATEGIC CONTEXT

- 5.1 Locality planning and plans incorporate the strategic objectives of the SAHSCP.
- 5.2 Crucial to Locality planning and plans are a commitment to co-production and co-design as reflected within the South Ayrshire Wellbeing Pledge.
- 5.3 By adopting a truly whole system and whole family approach beyond the services directly delivered by the SAHSCP the locality plan will ensure priorities and actions identified are intrinsically linked to Local outcome improvement plans priorities

6. IMPLICATIONS

6.1 Financial Implications

- 6.1.1 Delivery of health and care remains within set budgets for service delivery.

6.1.2 To promote community empowerment there will be participatory budgeting opportunities for locality citizens and groups to access.

6.1.3 The expectation will be that participatory budgeting will be linked clearly to the locality priorities and there will be regular communication and networking events to raise awareness of local groups/initiatives and how these can be accessed.

6.2 Human Resource Implications

6.2.1 Workforce planning and development is a key pillar for delivery of the locality plans.

6.2.2 It is imperative that SAHSCP has a workforce that is informed and engaged, skilled and digitally confident, valued, ambitious and proud, and collaborative. This is reflected in the Locality Plans.

6.3 Legal Implications

6.3.1 N/A

6.4 Equalities implications

6.4.1 N/A

6.5 Sustainability implications

6.5.1 Within the locality plans there is a real focus on prevention, early intervention and supported self-management.

6.5.2 The Locality Plans align with the SAHSCP vision of empowering citizens and communities to start well, live well and age well.

6.6 Clinical/professional assessment

6.6.1 Effective implementation of locality plans will be in line with professional standards and best practice.

6.6.2 Key to delivery of Locality Plans will be clear development plans and supervision arrangements for SAHSCP locality staff, aligned to professional registration requirements.

7. CONSULTATION AND PARTNERSHIP WORKING

7.1 The locality plans provide detail of communication and engagement that has taken place.

7.2 The locality plans acknowledge the importance of partnership working across a whole system.

8. RISK ASSESSMENT

- 8.1 Clear governance and reporting arrangements with regards to locality planning, health and care and community planning will enable recognition of progress to date and ensure a focus on learning and continuous improvements.
