Eliminating unlawful discrimination, harassment, and victimisation?

The new Ageing Well Strategy seeks to mainstream equalities in it's over arching outcomes and will ensure that any subsequent action points do not disproportionately disadvantage one community or group over another. South Ayrshire CPP is committed to eliminating discrimination and stigmatisation and the structure which has been put in place will play a positive role in the contribution towards this vision, supporting our communities and citizens to grow, care and live a better life in South Ayrshire.

Advancing equality of opportunity?

The new Ageing Well Strategy is inclusive of everyone and ensure equality of opportunity to improve outcomes. The CPPs seek to encourage and improve participation through our Champions Board and Community Planning Participation and Engagement Group which represents 'communities of interest' across South Ayrshire.

Fostering good relations?

The new Ageing Well Strategy is inclusive of everyone and ensure equality of opportunity to improve outcomes. In addition, the CPP has identified key areas of focus within the strategy taking into consideration our ageing population. The CPP seeks to encourage and improve participation through our Champions Board and Community Planning Participation and Engagement Group which represents 'communities of interest' across South Ayrshire.
