

## What I like about foster care....

I don't experience  
any sort of violence  
anymore

I get to go  
on holidays

I have tried so  
many new things  
with my  
foster carers

I have a safe  
place to stay

I get to stay in  
one place

We celebrate  
birthdays

I have learned new  
things that I  
wouldn't have got  
to learn at home
