Public sector equality duty

Eliminating unlawful discrimination, harassment, and victimisation?

The new Engagement Strategy seeks to mainstream equalities in its overarching outcomes and will ensure that any subsequent action points do not disproportionately disadvantage one community or group over another. South Ayrshire HSCP is committed to eliminating discrimination and stigmatisation and the structure which has been put in place will play a positive role in the contribution towards this vision.

Advancing equality of opportunity?

The new Engagement Strategy is inclusive of everyone and ensures equality of opportunity to improve outcomes. The HSCP seeks to encourage and improve participation through our Champions Boards and Locality Planning Partnerships which represents 'communities of interest' across South Ayrshire.

Executive summary

implementation of a New Engagement Strategy for HSCP which seeks to ensure good quality community engagement and participation across South Ayrshire for all who live within the area. The Public Bodies (Joint Working) Act (Scotland) 2014 set out

Background:

implementation of a New Engagement Strategy for HSCP which seeks to ensure good quality community engagement and participation across South Ayrshire for all who live within the area. The Public Bodies (Joint Working) Act (Scotland) 2014 set out

Scope of the CRWIA, identifying the children and young people affected by the policy, and summarising the evidence base:

The Strategy sets out standards for ensuring everyone have equal opportunities to participate in engagement with the HSCP and feedback their views. This strategy supports health, wellbeing and protection relating to children and young people

Children and young people's views and experiences:

Children and Young People had an opportunity to contribute to the new engagement Strategy and this is set out in the engagement report. Staff and Partners working with young people also had the opportunity to respond to the consultation and feed

Key Findings, including an assessment of the impact on children's rights, and how the measure will contribute to children's wellbeing:

It is essential that all children and young people have equitable opportunities to improve their health and wellbeing outcomes and this may require promoting the interests of one group of children above another.

Monitoring and review:

The Implementation Plan of the Engagement Strategy will be reviewed on an ongoing basis and a progress report will be provided to the Integration Joint Board and Performance and Audit Committee.
