3. BACKGROUND INFORMATION

- 3.1 Work has been ongoing to ensure the reporting of HSCP strategies and plans are aligned to wider governance arrangements.

4. REPORT

- 4.1 Four HSCP strategies are reported directly through the Local Outcomes Improvement Plan. These are the:

- Social Isolation and Loneliness Strategy 2019-2021
- Dementia Strategy 2018-2021
- Corporate Parenting Plan 2018-2021 / South Ayrshire's Parenting Promise 2021-2030
- Young Carers Strategy 2021-2026

- 4.2 To ensure a consistent approach, it is proposed that progress reports on the strategies of the LOI priorities are reported at the same Committee meeting to allow a wider Community Planning focus.

- 4.3 Along with these reports, linked strategies will also be reported such as the Adult Carers Strategy 2019-2024 and the Sexual Exploitation Strategy 2020-2025.

- 4.4 As several of the progress reports presented at these Committee meetings have a focus on children and young people, the Strategic Performance Report for Children's Health, Care and Justice Services will also be presented.

- 4.5 At alternate meetings, it is proposed that progress reports on Corporate and Community Health and Care Strategies are presented together as well as the Strategic Performance Report for Community Health and Care Services to ensure a consistent approach.

- 4.6 At the March 2022 meeting of the Committee, it is proposed that a new reporting schedule for 2022-2023 is tabled for consideration.

5. STRATEGIC CONTEXT

5.1 The reporting schedule supports the Partnership's Strategic Objectives particularly:

- We are an ambitious and effective Partnership.
