		Sustainability	<input type="checkbox"/>
		Policy	<input type="checkbox"/>
		ICT	<input type="checkbox"/>

NHS AA Remobilisation Plan 3

1. PURPOSE OF REPORT

- 1.1 This report seeks the IJB's endorsement of NHS Ayrshire and Arran's Remobilisation Plan 3.

2. RECOMMENDATION

2.1 It is recommended that the Integration Joint Board:

- i. Endorse the NHS Ayrshire and Arran Remobilisation Plan 3, following approval by Scottish Government ([Appendix 1](#)).**

3. BACKGROUND INFORMATION

- 3.1 Since the beginning of the pandemic, Scottish Government have requested NHS Boards – in partnership with their HSCPs – to produce a series of Remobilisation Plans to plan for whole system response to the next phase of the pandemic. The final draft Remobilisation Plan 3 (RMP3) was submitted to Scottish Government on 26 February 2021 for consideration.
- 3.2 Following submission to Scottish Government, a meeting was held between Scottish Government and NHS Ayrshire & Arran on 9 March 2021 to discuss the content of the plan. A subsequent letter was received on 15 March 2021 detailing the meeting note and follow up actions required. A letter in April then confirmed Scottish Government approval.

4. REPORT

- 4.1 There is now a requirement for the IJB to endorse the final draft of the Remobilisation Plan for the period April 2021 to March 2022.
- 4.2 Following approval through the internal governance processes, the RMP3 will become the NHS Board's contract with the Scottish Government for the year 2021/22, superseding the requirement for an Annual Operating Plan. It is the intention to revisit Remobilisation Plans later in the year once the position on Covid-19 and related matters is clearer. As such, a further iteration of the Remobilisation Plan may be commissioned later in the year. This will also be informed by any additional or amended priorities in respect of incoming ministers.
- 4.3 South Ayrshire HSCP officers contributed significantly to the development of RMP3 and our high-level, relevant activities are represented in the Plan.

5. STRATEGIC CONTEXT

- 5.1 The RMP3 feeds in to each of the HSCP's Strategic Objectives.

6. IMPLICATIONS

6.1 Financial Implications

6.1.1 There are significant financial implications to this report, outlined within the Appendix. Thorough consultation took place between the HSCP and NHS in developing the financial implications of the Plan.

6.2 Human Resource Implications

6.2.1 The RMP relates only directly to NHS staff and any implications have been consulted on. Most personnel implications for the HSCP are around additional posts being created.

6.3 Legal Implications

6.3.1 There are no direct legal implications of agreeing this report.

6.4 Equalities implications

6.4.1 There are no equalities implications of this report.

6.5 Sustainability implications

6.5.1 There are no direct sustainability implications of agreeing this report.

6.6 Clinical/professional assessment

6.6.1 This report does not require clinical or professional considerations to be reflected to the IJB. These have been incorporated within the report prior to submission.

7. CONSULTATION AND PARTNERSHIP WORKING

7.1 This report has been developed in consultation with our statutory partner organisations as outlined in the Plan.

8. RISK ASSESSMENT

8.1. There are no risk implications associated with agreeing this report. The RMP3 represents an extensive outline of mitigations against risks faced by health and social care services over the coming twelve months.
