

Strategic Plan consultation questions

1. What other considerations do we need to take account of to inform our Strategic Plan for South Ayrshire HSCP? In particular, is there any further local evidence we should base our plans around (e.g. from your locality planning area)?

2. Do you know of other challenges or opportunities that we need to consider in our Strategic Plan?
 - Yes
 - No

If Yes, please write them in the box below:

3. In your opinion, how well does the Partnership engage with our community and partners?
 - Very well
 - Quite well
 - Not sure
 - Quite poorly
 - Very poorly

4. How can we build on our engagement so far and improve our communication and engagement with our community and partners?

5. How would you like to see us doing our business in the future? What is your part in that? **TO BE REFINED FOLLOWING DISCUSSION AT SPAG**

6. Please rank in order of preference the vision, values and principles for the new Strategic Plan and provide any other comments.

From the list of potential **principles** below, please choose your top five:

- Support and services will be co-produced – ‘doing with’ not ‘doing to’
- The system will be outcome focused, proportionate and responsive
- Bureaucracy will be the minimum it needs to be.
- Services respect the rights of service-users and takes account of their dignity
- Partnership with communities sharing all resources
- Providing joined up services to improve quality of lives

- People will have access to good information and advice to support wellbeing and reduce crisis points
- Providing timely access to services, based on assessed need and best use of available resources
- People will be treated as equals and assets and strengths built upon
- Recognising the importance of encouraging independence by focusing on reablement, rehabilitation and recovery
- Putting individuals, their carers and families at the centre of their own wellbeing and care

Please provide any other comments on the vision, values and principles below:
