West of Scotland	Ayrshire and Arran	Urgent and unscheduled care	Primary Care	2021-AA106	Amber	Progress a digital programme to support the priorities identified by primary and community services to improve access for community practitioners and peoples of Ayrshire and Arran.	Providing Comm Pharmacy and Optometry access to digital portal March 23	Agreement reached for roll out programme. Current challenges being worked through with information governance and IT Security due to Pharmacies and Optometrists being independent contractors and not NHS employed. Engagement with Digital Services colleagues to bring this to a resolution.	Dependencies on digital team providing implementation timeline.	Escalation to senior colleagues within Digital services via the Senior Manager for Primary Care Services	UC1	Digital Health & Social Care Strategy	Supports patients to receive improved continuity of care by community primary care providers able to access and share relevant information pertinent to a patient's healthcare needs.
West of Scotland	Ayrshire and Arran	Urgent and unscheduled care	Primary Care	2021-AA106.1	Green	Progress a digital programme to support the priorities identified by primary and community services to improve access for community practitioners and peoples of Ayrshire and Arran.	Roll out E-Consult to GP practices Mar 23	18 GP Practices are using this platform to support patient access.  1 Practice chose to close down the use of e-consult due to reduced clinical workforce. All 18 practices have participated in engagement sessions to review the use of e-consult and shared learning across practices. A patient experience questionnaire will also be explored to provide further feedback. Regular engagement sessions continue with practices to encourage the use of this digital platform.	Increased access 24/7 puts more pressure onto the practice, and all requests must be reviewed by a clinician. Until the new system is full embedded practices may view this is an additional workload for GP Practices whilst running two systems. This has resulted in practices requesting to turn e-consult off periodically which is confusing for the public.	Ability to turn e-consult off when the practice is at reduced workforce capacity. y	UC1	Digital Health & Social Care Strategy	Increased uptake by General Practice will allow more patients to communicate with their GP Practice at a time convenient to them 247, for follow up from the practice within an agreed timescale.
West of Scotland	Ayrshire and Arran	Urgent and unscheduled care	Primary Care	2021-AA108	Green	Increase shared care, access to services and patient experience within Community Optometry.	Co-Management Service - Support additional eye disease being managed by Community Optometrists in conjunction with the Hospital Eye Service. March 23	Three new Optometric Advisors recruited and progressing various workstreams.  The Eyecare Integration Group has been reformed and now has regular scheduled meetings.  The group are working on expanding the current shared care model to hopefully include the screening of Juvenile Idiopathic Arthritis in community practices with other potential services being discussed such as Anterior Eye Conditions.	Securing funding to move to implementation.  Potential lack of engagement either from acute services or community optometrists to progress	The integration group membership to be reviewed to ensure appropriate representation and leadership to support implementation	UC1	National introduction for co-management by Optometrists to more complex conditions.	Increased Shared care between community optometrists and acute services will support reduced waiting times allowing more eye treatments to be carried out in the community. This will also reduce the need for urgent referrals due to a patient's condition deteriorating whilst awaiting an acute appointment
West of Scotland	Ayrshire and Arran	Urgent and unscheduled care	Primary Care	2021-AA109	Green	Work with General Dental Services to increase service delivery and remobilise following Covid-19.	Supporting Dental Practices to increase activity where possible Ongoing 2022/23	Activity levels since the relaxation of IPC guidance in April shows that Dental Practices in NHS Ayrshire and Arran have increased activity to 90% of pre pandemic income levels. Some practices are struggling to recruit Dentities, and therefore the National Activity as described at 2.1 on the Annual Plan, for Scottish Government to maximise recruitment and retention opportunities for the dental team from UK and international graduates will be essential in recovering the Dental Sector further.	PDS becoming overwhelmed should emergencies continue to increase.	Oral Health Improvement Plan NHSAA Oral Health Strategy 10 year Plan 2013-2023	UC1	Oral Health Improvement Plan NHSAA Oral Health Strategy 10 year Plan 2013-2023	Covid-19 highlighted the health inequalities children and families face, therefore during the pandemic foot banks, community groups and schools were given oral health products such as toothbrushes, toothpaste letc. to support home tooth brushing and this will continue whilst dental practices work to recover to pre-Covid activity levels.
West of Scotland	Ayrshire and Arran	Urgent and unscheduled care	Primary Care	2021-AA110	Amber	Develop the concept of community monitoring and investigation hubs.	Identify what range of investigations and procedures could transfer from being delivered in GP surgery or a hospital outpatient setting.	Concept is supported due to different ways of working during the pandemic. Development groups are established to take forward by September 22.	Failure to get agreement on services to be delivered as well as identify suitable sites leading to inability to implement community hubs resultin in disparate access to services across Ayrshire.	colleagues across the wider system to ascertain timescales	UC1	PCIP Caring for Ayrshire Right Care, Right Place, Right Time Care and Wellbeing Programmes	This will support people to access services closer to home rather than attend an acute setting for specialist care. This will positively impact patients with reduced mobility or multi co- morbidities where travel can be difficult.
West of Scotland	Ayrshire and Arran	Urgent and unscheduled care	Primary Care	2021-AA111	Amber	Implementation of contractual elements of the new 2018 GMS Contract	Implement Level 1 Pharmacotherapy Service for full task transfer. March 23	Pharmacotherapy is being delivered to all Practices across Ayrshire & Arran, with all S3 Practices having full or partial access to this service. Full task transfer is difficult to measure which has been recognised across all Health Boards. Work on implementing Level 1 Pharmacotherapy Service for full task transfer will continue be taken forward for completion throughout 2022/23. As at June 2022, a total of 103.3WTE Pharmacotherapy staff have been provided to General Practice through the PCIP.	Ability to identify additional professional staff to fill the new roles within the PCIP.  Some GP practices unable to accommodate additional workforce capacity due to infection control guidance and increased appointment times reducing capacity. There are also growing concerns regarding accommodation within GP Premises to be able to accommodate staff.	Monitor allocation of resource to practices.  Utilise whole system workforce t planning to forecast recruitment predictions. Following recent PCIF discussions, measures in	UC1	PCIP Caring for Ayrshire	The aim through the reformed primary care service is not just to extend life, but aim to reduce the time spent in poor health. Implementing the new GMS contract is an opportunity to mitigate health inequalities where possible.  The purpose of the work is to help people access the right person, in the right place, at the right time in line with the Scottish Government Primary Care Vision and Outcomes. Including:  • Maintaining and improving access • Introducing a wider range of health and social care professionals to support the Expert Medical Generalist (GP) • Enabling more time with the GP for patients when it's really needed • Providing more information and support for patients.
West of Scotland	Ayrshire and Arran	Urgent and unscheduled care	Primary Care	2021-AA111.1	Amber	Implementation of contractual elements of the new 2018 GMS Contract	Roll-out serial prescribing service to support Level 1 Task Transfer. March 23	Practices to participate in a QI project to progress and improve on the current systems and processes in place to ensure we are on target for task transfer  All GP practices across Ayrshire & Arran are 'live' with serial prescribing. In total there are 26,711 patients in Ayrshire and Arran currently receiving serial prescriptions. This is just over 12% of all patients on repeat medicines.	Recruitment to posts for key staff w be vital in order to deliver this additional work. Engagement of some practices to work with the service to implement changes to ensure safe transfer.	Ill Monitor the recruitment of staff within the service. Monitor the engagement of practices and progress of improvements. Identify any GP Practices that require further support at an early stage.	UC1	PCIP Caring for Ayrshire	The aim through the reformed primary care service is not just to extend life, but aim to reduce the time spent in poor health. Implementing the new GMS contract is an opportunity to mitigate health inequalities where possible.  The purpose of the work is to help people access the right person, in the right place, at the right time in line with the Scottish Government Primary Care Vision and Outcomes. Including.
West of Scotland	Ayrshire and Arran	Urgent and unscheduled care	Primary Care	2021-AA111.2	Green	Implementation of contractual elements of the new 2018 GMS Contract	Provide all practices with a CTAC service.  March 23	52 of the 53 GP Practices now have access to CTAC resource. Further recruitment is underway to provide resiliance within the service. There are some challenges with accommodation which is making it difficult to provide all practices with their full CTAC allocation.  A test of change is being explored in the North and South Ayrshire HSCP for CTAC hub model. This test of change will support those practices with accommodation issues.  As at June 2022, a total of 45,8WTE CTAC nurses and 19.3 HCSWs have been allocated across SG PP ractices in Ayrshire. In addition to this there are now 6 Practice Educator's aligned to the CTAC service to support training and development of the rursing workforce. This is split across all 3 HSCPs and are fixed term posits for 2 years.	Lack of accommodation within GP practices due to increased infection control and social distancing leading to practices being unable to access CTAC staff resulting in inequitable patient access to services. Due to the volume of MDT's being allocated to GP Practices, space is becoming a real issue and concern.	proposed solutions. Implement locality models where GP practices can't accommodate additional staff.	UC1	PCIP Caring for Ayrshire	The aim through the reformed primary care service is not just to extend life, but aim to reduce the time spent in poor health. Implementing the new GMS contract is an opportunity to mitigate heatth inequalities where possible.  The purpose of the work is to help people access the right person, in the right place, at the right time in line with the Scottish Government Primary Care Vision and Outcomes. Including:  • Maintaining and improving access  • Introducing a wider range of heatth and social care professionals to support the Expert Medical Generalist (GP)  • Enabling more time with the per Medical Generalist (GP)  • Enabling more time with Expert Medical Generalist when it's really needed  • Providing more information and support for patients.
West of Scotland	Ayrshire and Arran	Urgent and unscheduled care	Primary Care	2021-AA111.3	Green	Implementation of contractual elements of the new 2018 GMS Contract	Provide practices with additional professional rotes to provide a MDT approach to care enabling GPs as Exper General Medicalist.  March 23	Discussions have take place with HSCPs to understand priorities and recruitment plans for implementation during 2022/23. This includes additionality and resilience for all additional professional roles.  As at June 2022, a total of 12.2wte Advanced MSK Physios are in place, 28.9 wte Mental Practitioners and 20.1wte Community Link Workers are in post to support General Practice across Ayrshire and Arran.	Lack of accommodation within GP practices due to increased infection control and social distancing leading to practices being unable to access additional MIDT staff resulting in inequitable patient access to services.	proposed solutions. Implement	uci	PCIP Caring for Ayrshire	The aim through the reformed primary care service is not just to extend life, but aim to reduce the time spent in poor health. Implementing the new GMS contract is an opportunity to mitigate health inequalities where possible.  The purpose of the work is to help people access the right person, in the right place, at the right time in line with the Scottish Government Primary Care Vision and Outcomes. Including:  • Maintaining and improving access • Introducing a wider range of health and social care professionals to support the Expert Medical Generalist (GP) • Enabling more time with the GP for patients when it's really needed • Providing more information and support for patients.
West of Scotland	Ayrshire and Arran	Urgent and unscheduled care	Primary Care	2021-AA111.4	Amber	Implementation of contractual elements of the new 2018 GMS Contract	Provide an urgent care service to General Practice. March 24	Each HSCP are currently identifying how they will deliver Urgent Care within their HSCP and plans are currently being put forward for spend in 2022/23.	Funding will be key to allow this workstream to grow and develop.	Establish a school of Primary Care model to look at 'grow your own models' for first point of contact practitioners.	UC1	PCIP Caring for Ayrshire RUC	The aim through the reformed primary care service is not just to extend life, but aim to reduce the time spent in poor health. Implementing the new GMS contract is an opportunity to mitigate health inequalities where possible.  Changes to how urgent care services are accessed may positively impact patients who have reduced mobility or multi comorbidities where travel can be difficult as there will not be a need to travel and the infection risk will be reduced.

Develop system ensuring all referrals are actioned through E vetting. Develop audit and reporting procedures	All referals actioned through E vetting and follow up appointments booked on Trisk. Audit reports in progress and 18 week reporting progressing using a collation of data from databases and trak.  90 % Complete	North Ayrshire HSCP	Backlogs in getting outcomes and appointments etc onto the system in a timely manner due to staff absence.	Waiting lists are being scrutinised and any queries resolved promptly in conjunction with the project team. Meetings set up with team leaders and data analyst to familiarise them with the reports available.	UC1	Mental Health Strategy 2017-2027 East Ayrshire HSCP strategic plan 2021-2030 Adult with Incapacity (Scotland) Act 2000	

West of Scotland	Ayrshire and Arran	Urgent and unscheduled care	Mental Health AHP	2021-AA79	Green	Reduction of waiting times to CMHT Occupational Therapy Service to meet RTT target of 18 weeks.	Provision of OT assessment and interventions to individuals with mental health difficulties that impact on their independence in Activities of Daily Living.	Milestone target has been exceeded and work will continue to maintain	East Ayrshire HSCP	Non-recurring funding for 2 key OT posts which jeopardises the progress made leading to poor outcomes for people.	Consideration of alternative routes of funding to support maintenance of progress.	UC1	Mental Health Strategy 2017-2027 East Ayrshire HSCP strategic plan 2021-2030 Framework for supporting People through Recovery and Rehabilitation during and after the Covid-19 Pandemic 2021	Many people with severe and enduring mental health problems experience a significant impact on their ability to maintain their daily functioning. Lack of a declarated focus around functional assessment and care planning to support improved outcomes will result in lack of opportunities for this population.
West of Scotland	Ayrshire and Arran	Urgent and unscheduled care	Mental Health Community	2021-AA85	Amber	Additional Mental Health Practitioners (MHP) to offer assessment and triage within GP practices to enable increased capacity of ther MDT staff to focus on wider GMS contract activities.	Source Funding by 2nd quarter of financial year.  Progress recruitment to ensure resource in place by end of financial year.  Service that ensures an individual with mental health difficulties presenting at general practice can be seen by a MHP by beginning of new financial year (at latest, ideally within this current financial year).	Awaiting SG feedback on allocation based on proposal submitted. In anticipation of funding, we have relevant paperwork completed to progress to recruitment ASAP.	North Ayrshire HSCP	Without full business case implementation with appropriate upil there continues to be exponential demand on GP's for mental health concerns. As such, there is a risk of delay to assessment, duplication of effort, delay to treatment etc, until fully funded.	Currently there are no mitigations that can be put in place, without having a negative impact on other practices. Where possible, we have spread the MHP resource, primarily based on demand. In partnership with East and South Ayrshire, we plan to recruit to gether to minimise risk of recruiting from same pool, and hopefully not depleting existing services. A publicised targeted recruitment drive would hopefully bring others from out with area.	UC1	Caring for Ayrshire Primary Care Implementation Plan Mental Health and Wellbeing in Primary Care	This will ensure that at any time an individual with mental health difficulties presenting at general practice can be seen by a MHP, this will ensure Right person, first time principle.
West of Scotland	Ayrshire and Arran	Urgent and unscheduled care	Mental Health Community	2021-AA86	Amber	statutory Mental Health Officer	(1) Recruit Staff for both parts of the service by 2nd quarter of the year. (1.1) Revised MHO Service will include Guardianship reviews across North Ayrshire Partnership, this and guardianship applications will be the initial focus of this Team. (1.2) Revised Care Management Team, will review care and care provision of service users and work with care providers to ensure service users are receiving the care they require.	After a successful pilot in North Ayrshire it was agreed that the Mental Health Social Work Team would separate into 2 Teams—Mental Health Officer Team and Social Work Care Management Team.  Funding has now been provided by North Ayrshire Health & Social Care Partnership to ensure the sustainability and deliverability of this new model.  Whilst navigating recruitment processes, Agency Social Work and MHO posts have been implemented (although to varying degrees of success)	North Ayrshire HSCP	Ability to recruit to posts	Adjustments to the MHO payment in North Ayrshire will hopefully attract social workers and MHO's from other areas and from training. Consideration of MHO training opportunities to ensure quantity, quality, and continuity of training. Utilisation of agency staff where possible, to plug gap until successful recruitment.	uci	National Care Service Mental Welfare Commission (regarding MHA and AWI Legislations)	The implementation of this new model will enable legislative timescales to be achieved and met, including Guardianship applications and Guardianship reviews, which will help delayed discharges and planning of care for the residents of North Ayrshire.
West of Scotland	Ayrshire and Arran	Urgent and unscheduled care	Mental Health Community	2021-AA87	Red	Referrals have increased into the service, additionally will ensure timely assessment and treatment of these individuals. Ability to respond to increased demand of CMH service. As such, there is a requirement to increase unusing staff to meet increase in demand and current deficit in capacity.	meet increase in demand and current	Recruitment still remains a challenge and have been unable to recruit to posts. No further forward in terms of staffing uplift.	North Ayrishire HSCP	1) Patient experience or outcome 2) Staffing and competence 3) Service / Useriess interruption 4) Objectives and projects 5) Injury (physical and psychological to patient's staff. 6) Complaints / claims Risk is not miligated fully at this time. Short term control measures have reduced some risk, but not of significance as such, risk has been entered ornicits register. Further control measures required to further mitigate risks without this, we will be unable to stabilise core service.	these cannot be reduced any further. b) Appointment of a short-medium term CPN to carry out all triage activity. c) We have implemented 'Live documentation' this is to reduce work pressures in having to return to base and type up all notes.	UC1	The Scottish Government have recently engaged a piece of work regarding secondary mental health service, in which community mental health services will be included.	Parity of esteem is spoken about between, physical and mental health and tackling this Health inequality was paramount in government papers, however we are now seeing an inequity within Mental Health Services themselves, investment in specialist services the seen the focus in recent years — however Core Service has not had parity in terms of investment resulting in inequality in care provision across the spectrum of MH care treatment.  If funding is delivered, these core services will be able to tackle the incoming increase in referrals (40% increase in recent years) that has resulted as we move out of the pandemic.  North Ayrshire has extremely high social deprivation and as such inequalities abound. Investment will mean that those who require mental health care and treatment will have access to services at the right time from the right person.  Investment will also mean that those requiring same day care and intervention from core service will receive this.
West of Scotland	Ayrshire and Arran	Urgent and unscheduled care	Mental Health Unscheduled Care	2021-AA92	Green	Redesign of Mental Health Urgent (Unscheduled) Care Service	Deliver a 24/7 Emergency Services Mental Health Pathway May 22 Deliver an Alcohol and Drug Liaison Service to operate 7 days June 22 Develop a Mental Health Unscheduled Care Assessment Hub to be situated within Ward 75, Woodland View. West of Scotland	Ayrshire and Arran	Urgent and unscheduled care	Mental Health CAMHS	2022-AA55	Green	Develop and implement service to provide an early intervention for people with a first episode of psychosis	Develop Pathway March 23	Initial conversations being had. Operational Responsibility and model to be explored	North Ayrshire HSCP	Clinical Governance framework & accountability yet to be decided		001		
West of Scotland	Ayrshire and Arran	Urgent and unscheduled care	Mental Health Community	2022-AA56	Green	Increase access to diagnostic support for patients with dementia	Recruitment to posts Develop Care Pathway	Post diagnostic support staff in post. CST groups now up and running in Troon, Prestwick and Ayr. Girvan planned for August 2022	South Ayrshire HSCP	Resource through additional funding Recruitment to posts  Post Covid delays in patients presenting and therefore further along their illness trajectories consequently may have difficulty with understanding	See families and provide support	UC1		
West of Scotland	Ayrshire and Arran	Urgent and unscheduled care	Mental Health Community	2022-AA57	Green	To carryout a worldorce analysis to ensure the right people are in the right place to meet service need might place to meet service need	To provide Link Workers in every GP Practice to link people to voluntary and third sector support Adequate Community Mental Health Team to respond to the new National Mental Health standards for CMHT	Recruitment complete for community link practitioners. Now secured 10 CLPs across South Ayrshire sending newy CP practice as well as offering specific locally based support to the Wallacetown area. Workforce analysis completed in CHHT which identified shortfall in capacity. Additional funding being sought from range of funding options. In interim, clinical activities are being RAG rated and prioritised to ensure risks are reduced as much as is possible.	South Ayrshire HSCP	Resource through additional funding Recruitment to posts		UC1		
West of Scotland	Ayrshire and Arran	Urgent and unscheduled care	Mental Health Community	2022-AA58	Amber	service bases and for delivering	Carry out a scope of accommodation across the NHS and Local Authority estates portfolio so as to be able to provide interventions as close to local communities as possible. By October 22	New key deliverable	North Ayrshire HSCP	Without this essential infrastructure it will be difficult to stabilise and reform.	Utilisation of digital platforms for on-line groups Exhaustions of NHS/ NAC facilities Exhaustions of community resources available Funding of external opportunities Purchase of accommodation appropriate to needs	UC1	Delivering Core Service.	Accommodation will ensure that services, care and treatment is delivered local and as close to the individual requiring this care and treatment as possible. Without appropriate accommodation, waiting lists are likely to increase, with potential for associated risks.
West of Scotland	Ayrshire and Arran	Urgent and unscheduled care	Mental Health Community	2022-AA59	Green	Deliver key 2021-22 actions and improvements identified in the Suicide Action Plan	Reduce deaths by suicide. Increase staff and community awareness in line with NES training framework. Deliver outcomes in line with national suicide prevention strategy. Review all deaths by suicide to support learning and improvements.	Actions included in 21/22 action plan were progressed. Also contributing to the review of national suicide strategy to inform new approach. Seeking to recruit dedicated post holder to support progress in relation to East Ayrshire's action plan.	East Ayrshire HSCP	Lack of dedicated , full-time resource to support this agenda. This important issue becomes subsumed into a range of additional priority areas.	Re-energise the agenda to support key improvements.	UC1	Mental Health Strategy 2017-2027 East Ayrshire HSCP strategic plan 2021-2030, Every Life Matters 2018	Inequalities is a key issue for those at risk of suicide. Lack of opportunity, trauma, the increase in cost of living, debt and lack of employment each have the capacity to result in people feeling hopeless, helpless and at risk of considering suicide.
West of Scotland	Ayrshire and Arran	Urgent and unscheduled care	Mental Health Community	2022-AA60	Amber	Implement Distress Brief Interventions pathways	Improved pathways for people in distress	Ayrshire is an associate to the national DBI programme. Pathways are being scaled up in CP practices and ED Ayr. Penumbra is the delivery partner and North Ayrshire leads on contract monitoring.	East Ayrshire HSCP	Lack of progress with scale up across all Ayrshire GP practices. Lack of scale up in ED due to competing pressures. Both could result in disinvestment in DBI programme.	DBI board is operational and scrutinising data. Formal review is scheduled to be undertaken to support scale up.	UC1	Mental Health Strategy 2017-2027 East Ayrshire HSCP strategic plan 2021-2030, Every Life Matters 2018	Often people present in distress as a result of poor home circumstances, trauma and many of the inequalities that result in poor personal outcomes.
West of Scotland	Ayrshire and Arran	Urgent and unscheduled care	Mental Health Community	2022-AA61	Amber	Re-design Adult Mental Health Services to simply access pathways		3 Mental Health Practitioner's, self help workers and community connectors in Primary Care support early assessment and s signosting to community support organisations. Additionally guided self-help supports development of self management for lower level symptoms.	East Ayrshire HSCP	Lack of recurring funding for 3 self help worker roles funding via remobilisation funds could result in more reliance on more formal supports.	Consideration being given to alternative funding routes to support retention of staff.	UC1	Mental Health Strategy 2017-2027 East Ayrshire NSCP strategic plan 2021-2030 Framework for supporting People through Recovery and Rehabilitation during and after the Covid-19 Pandemic 2021	Focusing on self management, early intervention and prevention helps prevent on seleps prevent or seleps and enables individuals, families and communities to be more mentally well. This in turn promotes better outcomes.
West of Scotland	Ayrshire and Arran	Urgent and unscheduled care	Mental Health Community	2022-AA62	Green	Undertake a review of the provision of 24 hour packages of community based supports: Right Support in the Right Way at the Right Time		Numerous responder hubs are operating across East Ayrshire with staff support hubs available for air hoc supports. Further responder hubs are in the planning stages.	East Ayrshire HSCP	Implications for provider sustainability as formal overnight supports are reduced. Deterioration of people's condition resulting in increased care and support needs.	Providers are made aware of the intention to support individuals to live as independently as they are able. Additional opportunities are available for providers to consider. Careful planning and assessment of individual capabilities is undertaken and very gradual, individualised reduction in support hours are made. If a person requires additional support at any time, this is assessed quickly and facilitated.	UC1	Mental Health Strategy 2017-2027 East Ayrshire HSCP strategic plan 2021-2030 Adult with Incapacity (Scotland) Act 2000	Traditional models of support for people with learning disabilities was limiting in terms of independence and created a reliance on formal supports rather than enhancing life skills. This approach goes some significant way to redressing the balance.
West of Scotland	Ayrshire and Arran	Urgent and unscheduled care	Mental Health Inpatients	2022-AA63	Amber	Consideration of extended response service for those 65 and over, at home	Band 6 secondment for 12 months tool to scope effectiveness of outreach model it facilitate early discharge and prevention of admission/readmission in association with South CMHT(E). Expect report out at September 23. Recent addition to Elderly Liaison services will be reviewed and considered with outreach model above what preferred new service could be.		North Ayrshire HSCP	Continued increased demand for inpatient bads beyond capacity. Risk of adverse event in community/inappropriate care setting of person avaiding psychiatric inpatient bad. Risk of admission when community support could/should have been offered. Requirement to place person in out- d-area bed if no capacity in A&A.	unscheduled care services	UC1	Caring For Ayrshire, Mental Health Act, Dementia Strategy, Mental Health Strategy, Ayrshire and Arran Discharge Planning Agreement, NMC Code of Conduct	Persons requiring psychiatric inpatient assessment/treatment will receive the right care at the right time by a competent workforce as close to home as possible
West of Scotland	Ayrshire and Arran	Urgent and unscheduled care	Mental Health Inpatients	2022-AA64	Amber	Re-provision of Forensic Rehabilitation Services within a community setting at Warrix Avenue	To develop outline business case by March 23	Briefing paper to describe request/ambition yet to be tabled at North OSMT, SPOG - presumably IPB for consideration/approval. Will aim to do so by September 22.	North Ayrshire HSCP	Current provision in Ward 7C both benefits from co-location and is hindered by being in a hospital setting. Success of Warrix Avenue has proven this could be done differently and embrace rehabilitation benefit/freedom being in community setting would bring.	Current service being successfully delivered from 7C. Warrix Avenue provision useful to inform this future plan.	UC1	Caring For Ayrshire, Mental Health Act, Criminal Procedures Act, Mental Health Strategy, Ayrshire and Arran Discharge Planning Agreement.	Support destignatisation of 'Forensic' population by being placed in the community. More effective delivery of service by being in the community. Equitable service for this client group by being placed in the community as are those in Warrix Avenue. Less restrictions as would not be in a Hospital setting
West of Scotland	Ayrshire and Arran	Urgent and unscheduled care	Mental Health Learning Disability	2022-AA65	Amber	complex care in the community, avoiding acute admission and supporting timely assessment and review.	Develop relevant evaluation plans/capacity - September 22 Complete recruitment to ISS - October 22 Establish team and initial ways of working/links to existing services - January 23	First meeting of planning group linked to LD Intensive Support Service took place in June 2022, with a focus on the need to progress job descriptions for various team roles. Job descriptions have now been submitted to job evaluation for Nursing roles in first instance.	North Ayrshire HSCP	The potential challenge of recruting to the various posts with in the ISS has been highlighted. Roles being secured by internal candidates thus putting a strain on other parts of the service in terms of experienced staff	with local profession leads around using existing resource in different ways (e.g. supplementing existing hours), but also careful consideration to variety of forums posts are advertised in, as well as how they are advertised (e.g. showcasing the ISS as an innovative development within a service which is seeing significant investment on a variety of fronts)	UC1	Coming Home Report (Scottish Government, 2018); Coming Home Implementation Report (Scottish Government, 2022); Keys to Life (Scottish Government, 2013); Keys to Life Implementation Framework (Scottish Government, 2019); Caring for Ayrshire; NAHSCP Strategic Commissioning Plan 2022-2030	The ISS will have a key role in supporting individuals with complex needs to link to and benefit from the broad range of supports and opportunities within their communities, as well as skilling up provides and others to better respond to the needs of individuals. In this way, it will act to address inequalities in wellbeing outcomes which can be linked to lack of flexibility/skills/knowledge in services and communities.
West of Scotland	Ayrshire and Arran	Urgent and unscheduled care	Mental Health Learning Disability	2022-AA66	Amber	necessary capacity in terms of	Gather baseline data and present to management team – June 22 Establish ongoing data reporting mechanisms to enable improvement/capacity revision – August 22 Develop proposal around new model (environment, bed numbers, practice) – November 22 Innolement new model – June 23	7A successfully applied to be part of a learning collaborative led by Healthcare Improvement Scotland, linked to the SSPS agenda in Mental Health services. As part of this, 7A staff are exploring, in partnership with other involved wards and Quality Improvement colleagues, improvement activities which relate to the collaborative aims. 7A has also undertaken some initial data gathering around activity since opening, and will continue to build on this as part of exploring levolving its practice.	North Ayrshire HSCP	Sickness/absence and the challenges of the ward environment continue to impact on staff availability and create a frequent reliance on bank staff who are not appropriately trained so as to fulfill the full remit of their role within the environment and with the client group.	Address staff welfare as well as broader good practice as part of SPSP collaborative work.	uc1	Keys to Life (2013): Keys to Life Implementation Framework (2019): Caring for Ayrshire, NAHSCP Strategic Commissioning Plan 2022-2030; Scottish Patient Safety Programme	Ward 7A is an in-patient environment. As part of reflecting on seclusion/restrain practice within the HIS collaborative, 7A staff are considering the role of activities and purposeful engagement, and means of further promoting this within the ward. Potentially, any work undertaken in this regard will impact on the ability of individuals to be included within and benefit from a broader range of community apportunities.

West of Scotland	Ayrshire and Arran	Urgent and unscheduled care	Mental Heath Learning Disability	2022-AA67	Amber	Implement new ways of working within Trindlemsos Day Opportunities in order to facilitate a shift from building based to community focused activities, with integration, inclusivity, and the achievement of meaningful outcomes at their core.	Complete organisational/staffing restructure – July 22 Establish effective ongoing methods of engagement with clients, families, and other stakeholders – November 22 Evidence a clear shift in the variety and location of activities clients are linked to, including an increase in the number of collaborations with community partners across North Ayrshire – June 23	As part of this, Trindemoss has reviewed staffing roles, implemented a new staff structure, and has almost completed a significant programme of staff transition and recruitment. It also continues to work with HIS, in Phase 3 of a learning collaborative focused on redesigning day services for people with learning disabilities	North Ayrshire HSCP	Scale of change being sought has and may in the future meet with resistance from some stakeholders. Should the new ways of working not be fully embraced and embedded, sufficient capacity may not be created to fully meet the needs of younger people in transition.	Trindemoss is developing a plan for ongoing engagement with stakeholders, and creating new opportunities for involvement such as work to be facilitated by 2 intems from the Glasgow School of Art. It will also benefit from an Engagement post which is to be trialled for 1-year within the Learning Disability Service.	UC1	Keys to Life (2013); Keys to Life Implementation Framework (2019); Caring for Ayrshire; NAHSCP Strategic Commissioning Plan 2022-2030	Greater integration of people with learning disabilities within their communities is core to the aims of Trindlemoss. As part of this, Trindlemoss is linking with a broad range of partners to create and promote greater equality and new opportunities in relation to issues such as physical activity (e.g., partnering with Woodland Wakeup in relation to new outdoor learning opportunities) and employment (e.g. linking into discussions within the Local Employment Partnership around new approaches to promoting employment opportunities for people with disabilities).
West of Scotland	Ayrshire and Arran	Urgent and unscheduled care	Mental Health Learning Disability	2022-AA68	Amber		Baseline scoping exercise to be completed – July 22 Identify models of good practice elsewhere across Scotland/UK and visit/connect as relevant – October 22 Engage with existing clients/families and relevant partners (complex/PMLD) around their experiences of current provision with a view to shaping plans around future provision – January 23 Develop proposal around necessary infrastructure development – March 23	An initial scoping paper has been drafted regarding the current state of play in relation to individuals with complex needs in North Ayrshire, drawing in issues such as Housing and in-patient provision.	North Ayrshire HSCP	Provider economy within North Ayrshite remains fragile; Providers continue to open new facilities within North Ayrshire which draw in clients from other areas, but place additional demands on local services.	their existing capacity. Better	UC1	Coming Home Report (Scottish Government, 2018): Coming Home Implementation Report (Scottish Government, 2022); Keys to Life (Scottish Government, 2013); Keys to Life Implementation Framework (Scottish Government, 2019); Caring for Ayrshire; NAHSCP Strategic Commissioning Plan 2022-2030	Complex needs are in part a function of the needs and abilities of individuals, and in part a function of the availability/leability (or lack thereof) regarding local services and opportunities. Better understanding the challenges experienced by those who can be considered as presenting with complex support needs will help us to shape services and communities appropriately, and thereby promote greater equality in health and other outcomes.
West of Scotland	Ayrshire and Arran	Urgent and unscheduled care	Mental Heath Learning Disability	2022-AA69	Green			There were some build delays as a result of the pandemic. This is now back on track with the neat supported accommodation, at Cuarryknowe, on track for opening end August 22. Individuals have been identified for these tenencies and are being supported through the legal process to support the moves.	East Ayrshire HSCP	People previously identified for the property could choose not to move.	Regular meetings with the contractor to ensure any delays, are highlighted. Individuals and families have been involved throughout the planning stages so unlikely that people will withdraw. If someone chooses not to move, there are a number of other individuals who could also be offered a tenancy. In terms of the legal process, staff are being encouraged to process intervention orders quickly in order to expedite.	uc1	Mental Health Strategy 2017-2027 East Ayrshire HSCP strategic plan 2021-2030 Adult with Incapacity (Scotland) Act 2000	People with learning disabilities and complex needs are often subject to stignatising in their local community. In addition many people with learning disabilities experience poorer health outcomes and have less access to services and supports enabling them to live good quality lives. This approach supports the person to maximise their independence whist having access to ad hoc support should the need arise.
West of Scotland	Ayrshire and Arran	Urgent and unscheduled care	Mental Health Learning Disability	2022-AA70	Green	Implement the new Day Services Model	Blended model of day service support which is individually tailored to the person's needs. Less reliance on building based supports and more community based activities. Revision of staffing structure to support more autonomous practice.	Day service BSVR has been completed and is fully implemented.	East Ayrshire HSCP	Complete	Complete	UC1	Mental Health Strategy 2017-2027 East Ayrshire HSCP strategic plan 2021-2030 Adult with Incapacity (Scotland) Act 2000	Supporting people with learning disabilities to utilize community based activities supports a reduction in stigm and increases opportunities to challenge the inequalities faced by this group of people.
